

## Internet & Social Media Safety Parent Awareness Night

**The Fountain Valley School District will be hosting a parent education night on the topic of: Internet & Social Media Safety Awareness on Wednesday, November 16<sup>th</sup>, 2016, from 6:00 - 7:30pm at the FVSD Office Board Room (located at 10055 Slater Avenue, Fountain Valley).**

The night will focus on young adults, social media, and what parents can do to minimize any potential threats or negative impacts they may have on students' lives. Angie Bennett, a FVSD parent and detective from the Huntington Beach Police department, will be joining us and is an expert in the field. She is passionate about teaching children and adults about the dangers of online activities. She hopes that by starting the discussion between children and their parents that more children will be prepared to handle unwelcome contacts online.

**Please be aware that this is a parent/adult only event and all attendees will need to fill out an RVSP form on your home school's webpage. If you have any questions about the event, please contact [kajdaszj@fvsd.us](mailto:kajdaszj@fvsd.us).**

To encourage as many attendees as possible, we will also be hosting a drawing for a chance to win and choose from a variety of gift cards. Each adult in attendance will be entered into the drawing.

**We hope to see you all there!**
